

RESPONSE TO RESTRICTION and  
AMENDMENT

Attorney Docket No.: Q90361

U.S. Application No.: 10/550,272

**REMARKS**

This responds to the Restriction and Election of Species Requirement dated October 30, 2007. In response to the Restriction Requirement, Applicants elect Group II (claims 14 and 15 and newly added claims 16 to 22) for examination. This election is made without traverse.

Newly added claims 16 to 22 recite the features of Group I (claims 1-13), and depend on claim 14. Accordingly, Applicants believe that claims 16 to 22 share a common technical feature with Group II and properly included in the elected Group II.

Applicants submit that if any of the elected claims is found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.

Applicants reserve the right to file a Divisional Application directed to non-elected claims 1-13.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

RESPONSE TO RESTRICTION and  
AMENDMENT
